Light Before Day Christopher Rice

In West Hollywood, journalist Adam Murphy is abruptly fired while chasing a career-making story. A Marine pilot is killed when his helicopter spirals into the Pacific Ocean -- and Adam suspects the death was not accidental. Battling his own demons in a city of temptations, Adam pursues the truth alongside his new boss, a famous curmudgeonly mystery writer, and discovers more than he planned about his recently estranged lover, a string of murders of other young men -- and a conspiracy so extraordinary that it threatens his sanity and his life. With a talent for creating suspense-tinged fiction that is "chillingly perverse" (*USA Today*) and "vivid and intense" (*The Boston Globe*), Christopher Rice delivers a dark thriller of revenge and sexual obsession.
