Book #5: Tempting Love - Haley & Eddie

Independent, talented, and beautiful-inside and out-Haley Sloan knew exactly what she wanted out of life. Her designer lingerie career was moving forward, but her heart stayed in the same place it had for years...hopelessly in love with the single father across the street.

Former wild boy turned responsible adoring father, Eddie Thomas always made sure that his little girl Emily was his top priority. Being a single father meant sacrificing his wants and needs for that of his little girl, and that meant sacrificing his want and need for Haley...no matter how tempting.

Will the oldest of the Sloan girls finally be able to break through to the heart of the man who has had hers prisoner for years? Will this single father finally realize that accepting his love for Haley may be just what his little girl needs?

One choice. Three lives. All tempting.

Book #6: Crazy Love - Krista & Chase

Krista Sloan is a feisty redhead with a heart of gold. As a physical therapist she gives 110%. But behind closed doors she still hasn't been able to heal her own heart since it was shattered ten years ago, by the only man she's ever loved.

Chase Malone always had a love for music, and it showed in the way the sexy Adonis commanded the stage at all of his sold out concerts. But his rock star status is hollow without his first true love. Every night he sings to packed arenas, he sings to her, remembering the love they shared and the night he had to leave her and his tortured past.

When an emergency calls Chase back to Harper's Crossing, will he be able to find his place again in the heart of the woman that sheltered him all those years ago? Will Krista be able to open her heart again to the one

man who owned her mind, body, and soul?

They'll have to risk it all for their Crazy Love.

Book #7: Actually Love - Jessie & Zach

Real or fake. As VP of public relations for SPC, the beautiful and talented Jessie Sloan knew the difference. The order and control she had in her life was real. Love was fake and she didn't have time for fake.

Sexy, sculpted boxing champ Zach Courtland had his share of losses in life, but inside the ring, he knew nothing but wins. He was used to taking and landing punches, but little did he know he was about to get the knockout of his life.

After circumstances force these two strangers to live together, they must become a fake couple and real roommates. Will Jessie and Zach still know the difference between real and fake, winning and losing? Or will they surrender to the idea that this may be Actually Love.

Book #8: Fairytale Love - Becca & Brian

We're just friends...

Fair and beautiful Becca Sloan was used to saying this...and it was true. The youngest of Harper's Crossing's Quad Squad, she knew she could always rely on her best friend, the sexy and charming Brian Scott

When both Becca and Brian are cast in a dating reality show to find love elsewhere, it becomes clear that they may have already found it. With cameras rolling, they'll have to decide if they should protect their friendship and live un-happily ever after with someone else--or trust in their bond and live happily ever after with each other in a Fairytale Love.

Book #8.5: My Love - Bobby & Sophie

As the youngest of the Sloan boys, Bobby never said much. But when it came to wife Sophie, he was always quick to express his love and devotion. Sophie's lovable, animated soul complemented his strong, silent demeanor perfectly.

Together, Sophie and Bobby were a match made in heaven. Their uncomplicated marriage was full love, trust, and unconditional support. But when life-altering news threatens to change the simplicity of their lives,

only they will be able to decide if they can accept this new change with love, or with fear and doubt.

Finally see inside the love that first welcomed us into Harper's Crossing...
