1547 Deaths: Henry VIII Of England Rosette Lyons

What's so special about Henry VIII Of England? In this new, compelling book from author Rosette Lyons, find out more about Henry VIII Of England ... Henry VIII was King of England from 21 April 1509 until his death. He was Lord, and later King, of Ireland, as well as continuing the nominal claim by the English monarchs to the Kingdom of France. Henry was the second monarch of the House of Tudor, succeeding his father, Henry VII. Besides his six marriages, Henry VIII is known for his role in the separation of the Church of England from the Roman Catholic Church. Henry's struggles with Rome led to the separation of the Church of England from papal authority, the Dissolution of the Monasteries, and establishing himself as the Supreme Head of the Church of England. Yet he remained a believer in core Catholic theological teachings, even after his excommunication from the Catholic Church. Henry oversaw the legal union of England and Wales with the Laws in Wales Acts 1535-1542. Henry was considered an attractive, educated and accomplished king in his prime and has a reputation as "one of the most charismatic rulers to sit on the English throne". Besides ruling with absolute power, he also engaged himself as an author and composer. His desire to provide England with a male heir which stemmed partly from personal vanity and partly because he believed a daughter would be unable to consolidate the Tudor Dynasty and the fragile peace that existed following the Wars of the Roses led to the two things for which Henry is remembered: his six marriages, and the English Reformation, making England a mostly Protestant nation. In later life he became morbidly obese and his health suffered; his public image is frequently depicted as one of a lustful, egotistical, harsh, and insecure king. So, what separates this book from the rest? A comprehensive narrative of Henry VIII Of England, this book gives a full understanding of the subject. A brief guide of subject areas covered in "1547 Deaths - Henry VIII Of England" include - - Henry VIII of England - English Reformation - Dissolution of the Monasteries - Italian War of 1542-1546 - First Siege of Boulogne - Tudor navy - Wives of Henry VIII - Cultural depictions of Henry VIII of England Find out more of this subject, it's intricacies and it's nuances.
