Home to the Serengeti National Park, Ngorongoro Crater, and Mount Kilimanjaro, Tanzania offers some of the finest big game watching in the world, from elephants and rhinos to chimpanzees and lions. This field guide covers all the larger mammals of Tanzania, including marine mammals and some newly discovered species. Detailed accounts are provided for more than 135 species, along with color photos, color illustrations of marine mammals, and distribution maps. Accounts for land species give information on identification, subspecies, similar species, ecology, behavior, distribution, conservation status, and where best to see each species. The guide also features plates with side-by-side photographic comparisons of species that are easily confused, as well as first-time-ever species checklists for every national park.

- The definitive, most up-to-date field guide to the larger mammals of Tanzania, including marine mammals
- Features detailed species accounts and numerous color photos throughout
- Provides tips on where to see each species
- Includes species checklists for every national park

From reader reviews:

Charlotte Womble:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each e-book has different aim as well as goal; it means that e-book has different type. Some people really feel enjoy to spend their a chance to read a book. They can be reading whatever they acquire because their hobby is reading a book. What about the person who don't like looking at a book? Sometime, particular person feel need book when they found difficult problem or maybe exercise. Well, probably you'll have this A Field Guide to the Larger Mammals of Tanzania (WILDGuides).

Gwen Anderson:

What do you with regards to book? It is not important to you? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have time? What did you do? Every person has many questions above. They must answer that question simply because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need that A Field Guide to the Larger Mammals of Tanzania (WILDGuides) to read.

Sylvia Langley:

People live in this new day of lifestyle always aim to and must have the free time or they will get wide range of stress from both daily life and work. So , if we ask do people have extra time, we will say absolutely indeed. People is human not really a huge robot. Then we consult again, what kind of activity are there when the spare time coming to a person of course your answer will unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the actual book you have read is usually A Field Guide to the Larger Mammals of Tanzania (WILDGuides).

Rachel Daniels:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this A Field Guide to the Larger Mammals of Tanzania (WILDGuides) can make you really feel more interested to read.
