Ruben Hoyos, Robinson Moncada

Getting Started with OUYA Ruben Hoyos, Robinson Moncada

A practical guide to developing games for the revolutionary OUYA console

About This Book

- Learn the basic principles of game development for the OUYA console
- Get to know the business model, content types, and specifications of the OUYA console
- Develop your first project for the OUYA console

Who This Book Is For

If you want to explore the development of games for the OUYA console, this is the book for you. From beginners to advanced users, the book allows developers to address various issues related to development projects for the OUYA console.

What You Will Learn

- Get to know about the origins of the OUYA console and its technical specifications
- Set up and configure the prerequisites needed to prepare the OUYA development environment.
- Set up two controllers, data storage, graphical optimization models, and textures
- Install the OUYA SDK (ODK) and the entire development environment (including the emulator and Unity3D)
- Configure the controls for your OUYA console
- Learn more about the business models commonly used on OUYA, and get an introduction to the ways you can monetize your games
- Get a glimpse into the future of the console, including new peripherals, new interfaces, and new display devices

In Detail

The OUYA console is a fully customizable open source indie console, which is based on the Android operating system and equipped with the powerful Tegra 3 graphics processor. It provides unprecedented levels of performance for an open source console, and is a new open platform for game developers, offering them the freedom to build and publish games on their own.

This book is a practical guide that will help you learn more about the OUYA console. From setting up a developer account to developing your first game, right up to publishing your game on the OUYA marketplace, this book guides you through the whole process of OUYA game development. You will also learn how to configure the OUYA development environment, including the OUYA Development Kit, emulators, and Unity3D. *Getting Started with OUYA* provides users with the basics of developing games for the console, and also gives them a glimpse into what the future has in store for the platform.

From reader reviews:

Lavinia Arthur:

What do you consider book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has different personality and hobby for every other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Getting Started with OUYA. All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

Randy Johnson:

Exactly why? Because this Getting Started with OUYA is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Omar Yoder:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Getting Started with OUYA, you could enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.

Nick Peoples:

A lot of book has printed but it differs. You can get it by net on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by means of searching from it. It is referred to as of book Getting Started with OUYA. You can contribute your knowledge by it. Without making the printed book, it could add your knowledge and make an individual happier to read. It is most significant that, you must aware about book. It can bring you from one destination to other place.
