As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's
