Fallen and Hopeless

Joseph Critelli

Fallen and Hopeless Joseph Critelli

What is it that we strive for, that we tiptoe along the precipice of insanity for, and that we fall to our knees upon a landscape of broken black glass, screaming to the moonless night sky for? For Aaron, it is love, true love, and only by facing the madness of the world, rising through the black waters in which he has been drowned, will he ever find it. Yet for those with the depth, the density, and the fortitude of spirit, no task is impossible. This novel is riddled with hidden references to songs, movies, and characters from other books. There are many allusions to spirituality and morality, as well as multiple philosophical quotes. It is a book about the growth of the human spirit, the paradoxes of life, and the warmth that is slowly dwindling from humanity as a whole. It will make you smile, laugh, cry, and then wonder if you ever truly understood what Love was before.
