#### **Johnna Chapin:**

As we know that book is important thing to add our knowledge for everything. By a reserve we can know everything you want. A book is a list of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This publication The Alphabet War: A Story about Dyslexia was filled in relation to science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading a new book. If you know how big selling point of a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get book that you just wanted.

#### **Justin Oliver:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Alphabet War: A Story about Dyslexia can make you feel more interested to read.
