Pardigan's had enough. He's only 12, but he's breaking into the home of one of Freya's richest merchants... and he's doing it tonight. This will change the world forever, as four friends are set on a quest to locate three magical objects and complete an ancient spell to save the world.

Aboard their sailboat, The Griffin, the adventurers are pursued by an evil bounty hunter, The Hawk, who will stop at nothing to end their quest. They also face Belial, Champion of Chaos, who seeks to rule the world of men - but first he must capture the crew of The Griffin.

With time running out, can Pardigan and his friends complete the spell and save the world, or will evil prevail?

*The Flight of the Griffin was chosen as one of the 21 Longlist finalists in the 2013 London Times/Chicken House Children's Fiction Competition.*
