An Incendiary Wake-Up Call to the World

What if the Old Testament is a work of fiction, Jesus never existed, and Muhammad was a mobster?

What if the Bible and the Qur'an are works of political propaganda created by Taliban-like fundamentalists to justify the sort of religious violence we are witnessing in the world today?

What if there is a big idea that could free us from the us-versus-them world created by religion and make it possible for us to truly love our neighbors—and even our enemies?

What if it is possible to awaken to a profound state of oneness and love, which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus?
