## **The Seasons of New York** Charles J. Ziga

New York is one of the most ever-changing and photogenic places in the world. Featuring full-color photographs of well-known landmarks from all five boroughs—from the Brooklyn Botanic Garden to South Street Seaport, as well as secret treasures throughout the city—this visual celebration of New York in all of its seasonal splendor is a perfect take-home souvenir for a tourist or a treasured gift for a resident New Yorker.

The year begins and ends in winter—ice skaters enjoy Central Park’s Wollman Rink, the Christmas tree arrives at Rockefeller Center, pedestrians walk across a snow-covered Brooklyn Bridge. Springtime brings cherry blossoms in Washington Square and a field of tulips in Central Park. In the summer, the paths through Central Park are a popular stroll, and farmers’ markets and other outdoor events, such as the Independence Day fireworks over the Statue of Liberty, draw people outside during the warmer months. Autumn brings leaves in vibrant shades of red and orange and makes a carriage ride through Central Park especially beautiful.
