**What's New, Pussycat? (Wolf Mates Book 2)** Dakota Cassidy

Re-Release

Welcome back to Cedar Glen, where cats and dogs may not be what they seem. In fact, you can just about count on meeting things that go bump in the night, even during the day. Home to vampires, weres, and other shifters, all looking for a little fun, a little power, and maybe a life mate. *USA Today* bestselling author, Dakota Cassidy pulls out the stops in *What's New, Pussycat?* Book 2 of her paranormal romance series *Wolf Mates*. This is one you won't put down until the last page is turned.

Martine Brooks is in a pickle. Derrick Adams is in a jam.

Pickles and jam. Not exactly a hot combo. Unless the "pickle" is a sultry, sassy cat shifter and the "jam" is a gorgeous hunk of wolf.

Derrick is cursed to die if he doesn't make the woot-woot with his life mate on the night of the next full moon. Martine's been held captive by a power-hungry warlock for six long months, forced to do his bidding before finding herself stuffed in a cat carrier and ditched at a 7-Eleven.

After rescuing her from a dumpster, Derrick and Martine strike a mutually beneficial deal: Mate, save a life, walk away—both alive and kicking. Win! Yet, there are kinks in the plan. Like the fact that Martine's one-time captor is on the hunt, planning to extinguish all of her nine lives at once. Or the fact the curse threatening Derrick's life is about to throw him a monster curve ball.

But the biggest kink might prove to be Derrick and Martine themselves, two avowed commitment-phobes...who are beginning to wonder what forever looks like.

Dear readers, if you recognize the title of this book, this is an expanded, revised, revisited, rejuvenated, re-everything'd version of the original *Wolf Mates* novella, published with a small e-press in 2006 as a stand-alone, also sold in a collection of four stories available in digital and print.
