Deadfall: Generations of Logging in the Pacific Northwest James Lemonds

Through the life stories of the author's grandfathers, father, uncles, and cousins, *Deadfall* documents the dramatic changes in the logging industry since the early 1900s. The book focuses on the influence of international timber giant Weyerhaeuser Company in the Pacific Northwest, yet its themes resonate from Alaska to the American Southeast wherever timber is king. While spurning nostalgia for logging's glory days, *Deadfall* attempts to view a future for today's timber workers.
