**Get off to a flying start, improve your skills, speak with confidence - using this new 60 page, illustrated colour guide.**

Dragon speech recognition can transform the way people work with their computers - students, doctors, writers, family historians, people with dyslexia or disabilities. But this can only happen if you know exactly what commands to use - and you can remember them!

**The author, Simon Thompson, uses his 10 years' experience of working one-to-one with 1,000s of Dragon users to present you with the essentials of speaking Dragon in an easy to use format.**

**Based on research into how memory works, 'The 100 Commands...' links different groups of vital Dragon commands to visual clues. The graphics help you quickly find the commands you need, as well as remind you of what to say.**

1. Simon Thompson is a Nuance Accredited Dragon trainer.
2. 'The 100 Commands...' enhances the 'SpeakingDragon Commands Charts' Poster, but also works on its own.
3. This eBook and the Commands Charts Poster both use the same graphics - giving you a consistent and user-friendly feel.

**If you - or someone you know - quickly wants to become fluent in Dragon - this is the book you need to buy. There is simply nothing better.**
