Even In Death: A Short Story Collection Kristy Feltenberger Gillespie

Even In Death, a collection of ten short stories, explores the thin line between love and hate; extreme emotions even death cannot destroy. Julie wants nothing more than to receive a flower bouquet from the hometown veterinarian. However, in “A Flower Story,” flowers are delivered long after a person is alive to smell them. After purchasing their dream home, Sara and David feel truly blessed. Unfortunately, the couple soon discover they’ve inherited a wicked curse. In fact, in “What’s Really There,” the former residents’ spirits refuse to move on. In the title story, on the anniversary of his fiancé’s death, Mark realizes that he can see and communicate with spirits, including Amy’s. Can Mark and Amy’s love survive even in death? “A Flower Story,” “What’s Really There,” and “Even In Death,” as well as the other seven stories in the collection are rife with emotion that will linger well after the last page.
