"This book functions both as a text book and a reference manual but remains eminently readable." By British Journal of Hospital Medicine, Jul 2015

"...strongly recommended, excellent quality, signature book on Tropical Medicine for everyone working in this field." By Travel Medicine and Infectious Disease, Mar 2015

- **Incorporate the latest therapies into your practice**, such as recently approved drugs and new treatment options.
- **Find what you need easily and apply it quickly** with highlighted key information, convenient boxes and tables, extensive cross-referencing, and clinical management diagrams.
- **Make the most accurate Tropical Disease diagnoses** through a completely redesigned and modernized format, which includes full-color images throughout plus a wealth of additional illustrations online at **Expert Consult**.
- **Apply the latest treatment strategies** for HIV/AIDS, tropical neurology, malaria, and much more.
- **Put the latest international expertise to work for you and your patients** with new chapters covering Global Health; Global Health Governance and Tropical Diseases; Non-communicable Diseases; Obesity in the Tropics; and Emergency and Intensive Care Medicine in Resource-poor Settings.
- **See which diseases are most prevalent in specific areas of the tropics** through a new index of diseases by country, as well as online-only maps that provide additional detail.
- **Better understand the variations in treatment approaches** across the globe.
