## Marxism in Latin America from 1909 to the Present: An Anthology (Revolutionary Studies)

The purpose of this anthology of writings by Latin American Marxists is to provide a working tool for both students and activists. While including theoretical, sociological, historical and economic writings, the majority of the documents centres on political struggles through the continent. The anthology's method is historical, considering the evolution of Marxist thought in the context of social and political struggles during the different historical periods in Latin America, as well as in connection with developments in the international workers' movement.
