## **New Orleans As I Remember It: A memoir about a broken family, a lonely boy, and the city of jazz**

Robert Baldwin

Originally published on Facebook and in blog posts, these vignettes tell the story of a sad and lonely, but hopeful, little boy who grew up in poverty in New Orleans. Though set in the city, these stories are really about people - people at their best and at their worst, as colorful and vibrant and flawed as the Crescent City itself.
