SLEEPING BEAUTY & SLEEPING BEAUTY WAKES UP! (ALTERNATE ENDING) were both named Best Reads of 2012 by Kindles & Wine! ([alturl.com/7smju](http://alturl.com/7smju))

Sure, Claire Beau is attracted to her new doctor, Brendan Charmant, with his moss-green eyes and sexy petulance. And yes, she's had more than one guilty fantasy about Davin Wibbens, the blue-eyed, blond surfer who happens to be her best friend. But she would never actually act on her secret desires--would she? Or, more to the point, DID SHE? Claire suffers from "Sleeping Beauty Syndrome," a malady that causes her to unexpectedly black out for days or even weeks. When Claire regains consciousness after her latest episode, she finds she's lost six weeks of memories and gained one Prince Charming. As the truth comes out about what really transpired during her "missing weeks," Claire will have to discover for herself if love truly did find her while she "slept," or if it was all just one long nightmare.

NOTE TO READERS: Sleeping Beauty Wakes Up! IS NOT A SEQUEL, but was written in response to readers who wished for a different ending to my bestseller, Sleeping Beauty. Sleeping Beauty Wakes Up! is currently offered as "standalone novel," which means that if you've never read Sleeping Beauty, you are not at a disadvantage. Sleeping Beauty Wakes Up! is about 10 pages longer, and contains about 50 pages of new material, beginning with Chapter 11. Finally, this e-book contains one instance of interactive content. If you do not wish to view the interactive content, the choice to "opt-out" and continue reading the novel will be presented to you. You will not miss any part of the story by opting out.
