## **Tales of Young Urban Squatters Plus How to Squat** Claire Burch

"Tales of Young Urban Squatters" takes a close look at the lives and hopes of a group of young people who have left their homes all over America to come to Berkeley, California, a town which seems to give a measure of entitlement to the homeless of assorted ages. These runaways are all different but they share a rebellious nature, messed up families, a tendency to get into trouble with the law and a combination of innocence and weary cynicism.
