Olivia Lockhart

Cedar Cove, Washington

Dear Reader,

You don't know me yet, but in a few hours that's going to change. You see, I'm inviting you to my home and my town of Cedar Cove because I want you to meet my family, friends and neighbors. Come and hear their stories—maybe even their secrets!

I have to admit that my own secrets are pretty open. My marriage failed some years ago, and I have a rather...difficult relationship with my daughter, Justine. Then there's my mother, Charlotte, who has plenty of opinions and is always willing to share them.

Here's an example. I'm a family court judge and she likes to drop in on my courtroom. Recently I was hearing a divorce petition. In my mother's view, young Cecilia and Ian Randall hadn't tried hard enough to make their marriage work—and I actually agreed. So I rendered my judgment: Divorce Denied.

Well, you wouldn't believe the reaction! Thanks to an article by Jack Griffin, the editor of our local paper (and a man I wouldn't mind seeing more of), *everyone's* talking.

Cedar Cove—people love it and sometimes they leave it, but they never forget it!

See you soon....

Olivia
