## **A Journey Through Texas; Or a Saddle-Trip on the South-Western Frontier: With a Statistical Appendix (Classic Reprint)** Frederick Law Olmsted

Excerpt from A Journey Through Texas; Or a Saddle-Trip on the South-Western Frontier: With a Statistical Appendix

The editor's motive for this journey was the hope of invigorating weakened lungs by the elastic power of a winter's saddle and tent-life. His present duty has been simply that of connecting, by a slender thread of reminiscence, the copious notes of facts placed in his hands, and in doing this he has drawn frankly upon memory for his own sensations. The lapse of two years may have breathed a little dullness on the pictures thus recalled, but it has served, also, to cool and harden any glow in the statements.

A sort of alter-egotism in the book was unavoidable, and some details that may seem rather trivial and spiritless have been preserved, because a travelers own impressions depend so much on those unconsidered but characteristic trifles. The notes upon slavery in the volume are incidental, but the extraordinary effect upon federal policy produced by fluctuation in the local market, where ownership in forced labor is the principal investment, imparts to observations within these new limits a peculiar interest.

In an appendix will be found condensed tables of such statistics as are most useful for reference.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
