**Christian Mentality: The Entanglements of Power, Violence and Fear (Religion in Culture)** Burton L. Mack

The Christian myth is entangled with American politics, with the nation's image of its own manifest destiny. 'Christian Mentality' analyses the myths that have shaped America's collective mentality. Concepts that are taken for granted in the formation of American policy - namely power, violence and fear - are examined. The book argues that America must find an image for itself which more truly reflects its reality as a polycultural nation still struggling for social democracy. 'Christian Mentality' will be invaluable to students and scholars interested in the impact of religion on political thought
