Neither Here, Nor There

Bill Bryson

Neither Here, Nor There Bill Bryson

Bill Bryson's first travel book, *The Lost Continent*, was unanimously acclaimed as one of the funniest books in years. In *Neither Here nor There* he brings his unique brand of humour to bear on Europe as he shoulders his backback, keeps a tight hold on his wallet, and journeys from Hammerfest, the northernmost town on the continent, to Istanbul on the cusp of Asia. Fluent in, oh, at least one language, he retraces his travels as a student twenty years before. Whether braving the homicidal motorists of Paris, being robbed by gypsies in Florence, attempting not to order tripe and eyeballs in a German restaurant or window-shopping in the sex shops of the Reeperbahn, Bryson takes in the sights, dissects the culture and illuminates each place and person with his hilariously caustic observations. He even goes to Liechtenstein.

From reader reviews:

Jeffrey Lockwood:

As people who live in typically the modest era should be update about what going on or information even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what type you should start with. This Neither Here, Nor There is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Larry Jones:

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Neither Here, Nor There as the daily resource information.

Sandy Reid:

Reading a book can be one of a lot of task that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new facts. When you read a publication you will get new information since book is one of many ways to share the information or even their idea. Second, studying a book will make you more imaginative. When you studying a book especially fictional works book the author will bring one to imagine the story how the characters do it anything. Third, you are able to share your knowledge to other folks. When you read this Neither Here, Nor There, it is possible to tells your family, friends and soon about yours book. Your knowledge can inspire different ones, make them reading a book.

Shirley Vega:

Spent a free time and energy to be fun activity to perform! A lot of people spent their spare time with their family, or their very own friends. Usually they carrying out activity like watching television, likely to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? Might be reading a book could be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the publication untitled Neither Here, Nor There can be excellent book to read. May be it is usually best activity to you.
