STRONG Willed: Designed For a Physical Purpose William M McNeely

It is natural to conclude that there is a reason behind our strength in that our bodies are designed to be strong and useful. The action of our strength allows for movement and our physical form as human beings shows that we have been designed to interact effectively with our environment. We are creatures that have been made to reflect the meanings behind the actions of our strength. Our design reveals our function. Our function reveals our purpose.
