Team Potter is a book that chronicles the craziness of the Potter family's daily adventures. It was inspired by my Facebook friends that enjoyed reading my posts and suggested that I look into publishing something. Team Potter consists of Mr. Potter, the founder /professor/coach/and warden that keeps everyone in line, and Mama-Nicole, the rule breaker that doesn't know what to say. Then there's Raziya and Rashid the trouble makers, along with their pets Lennox and Hamster Potter. If there is a nerve to be worked, They are all on top of it. You are sure to have a laugh or two as you travel along with us.
