Defending the Bible against "Christians": A Study Of How The Bible In English Came To Be And The Unlikely Sources Who Challenge Its Authenticity And Translation Even Today.

Martin Roberts

Defending the Bible against "Christians": A Study Of How The Bible In English Came To Be And The Unlikely Sources Who Challenge Its Authenticity And Translation Even Today. Martin Roberts Defending the Bible against "Christians" takes the reader on an historical journey of discovery through the generations of man and the support and obstacles the Bible faced in reaching the hearts and minds of the general public. The emergence of the Reformation period and its main characters blazed a trail of defiance against those who attempted to hide the Word of God. The personal sacrifices, sometimes torture and death, of those who opposed Church and State authorities, ensured God's Word would not be silenced. The reader is presented with events that jump from the page as though experiencing for themselves the times and troubles firsthand. Each chapter takes you through the Bible's journey of discovery and translation and develops the arguments why the Bible is God's irrefutable word and truth.
