Devil in My Arms (The Saint's Devils Book 3) Samantha Kane

One by one, the Saint's Devils—Samantha Kane's wicked, wonderful Regency heroes—continue to enchant the women who capture their rakish hearts.

Even though she is starving and destitute, Eleanor Enderby's quiet beauty strikes Sir Hilary St. John speechless. He expects the woman he's searching for to be skittish and plain. Instead he finds the picture of bravery—and willfulness—in his quarry. She gives away little, but Hil can see something is terribly amiss. And though he cannot say exactly why, he is determined not to let her come to more harm than whatever it is she has already survived.

Six months later, Eleanor believes she has finally found safety from the tyrant she risked her life to escape. Thought to be dead by society, Eleanor is ready to be reborn as someone new—someone whose life will never again be tied to the fate of one man. But her smoldering savior seems unwilling to leave her unprotected for an instant. Despite the threats he thinks he sees coming, the real dangers Eleanor faces in Hil's arms are unmistakable: temptation, seduction, and maybe even love.
