Faster Than The Rest (MacLarens of Fire Mountain Book 2) Shirleen Davies

Headstrong, brash, confident, and complex, the MacLarens of Fire Mountain will captivate you with strong characters set in the wild and rugged western frontier.

Handsome, ruthless, young U.S. Marshal Jamie MacLaren had lost everything—his parents, his family connections, and his childhood sweetheart—but now he’s back in Fire Mountain and ready for another chance. Just as he successfully reconnects with his family and starts to rebuild his life, he gets the unexpected and unwanted assignment of rescuing the woman who broke his heart.

Beautiful, wealthy Victoria Wicklin chose money and power over love, but is now fighting for her life—or is she? Who has she become in the seven years since she left Fire Mountain to take up her life in San Francisco? Is she really as innocent as she says?

Marshal MacLaren struggles to learn the truth and do his job, but the past and present lead him in different directions as his heart and brain wage battle. Is Victoria a victim or a villain? Is life offering him another chance, or just another heartbreak?

As Jamie and Victoria struggle to uncover past secrets and come to grips with their shared passion, another danger arises. A life-altering danger that is out of their control and threatens to destroy any chance for a shared future.

Book Excerpt:

“Tell me, Victoria. Why did you leave if it wasn’t for the money?” His voice was a whisper across her face. She could almost smell the anger pulsing from him, along with all the other familiar scents of the man she’d always loved. He was just as intoxicating now, just as impossible to resist.

She lifted her face to his to look into eyes that had turned a deep steel grey. She could lose herself in those eyes. It was her last coherent thought as his mouth moved towards hers inch-by-inch, brushing across her lips, and coaxing them to open for him. When she didn’t resist Jamie moved one arm to the back of her neck, holding her in place while his other arm moved to her back, pressing her to him. Her arms slid up and around his neck, pulling his head down to hers. His mouth moved to her eyes, traveled across her cheeks and down her neck, before settling again on her parted lips.

Jamie was amazed at how the taste and feel of Victoria in his arms hadn’t changed. She was still the most desirable woman he’d ever known. No matter what else had transpired, his body still craved hers as it had none other.
