FELT UPBanged By My Six...

Julie is moving into a very new house and is about to find herself living with six guys who will love nothing more than to torment and aggravate her. Of course, they are only going to act that way because they like her and are not used to having a girl around the house.

As she gets used to her situation, Julie will begin to succumb to the manly instincts of the guys. Before she knows what happens, she will have done the deed and performed numerous dirty acts with each and every one of them!

Impregnated By My Six...

I enjoyed the group fun that I had with the six guys last year that I decided I wanted to do it again. Unfortunately, one of them was unable to make it but that still left five of them giving me all of their attention. The party was a blast even though I was pretty sore and swollen when all was said and done.

There was one problem though. One of them knocked me up! I was on birth control but it just wasn't enough. Now I just have to figure out who the baby belongs to!

Restrained

Marie has been searching for the perfect man her entire life. When she finally meets the man she is going to marry, she feels like she is on top of the world. She just can't figure out why her folks are so against her new relationship.

When the holidays roll around, the man of the house finally lets her in on a deep, dark secret. The man she has married is someone that most would consider to be taboo! Instead of upsetting her, Marie is turned on even more and it leads to some of the wildest times she has ever had!

Please note, this bundle contains TABOO stories that some readers may find offensive. It is intended to be read by those with extremely open minds and VERY dirty fantasies! All characters portrayed in my books are consenting adults. For a more detailed warning, please click on the book cover to use the look inside feature.
