Hazardous Materials Incidents, 2nd Edition Christopher David Hawley

Designed for all first responders who encounter hazardous materials emergencies, this reader-friendly training guide not only covers all of the competencies in the 2002 Edition of Standard NFPA 472 at the awareness operations level, but also offers beneficial information on air monitoring, terrorism, and special operations issues! Marked by its risk-based response philosophy, Hazardous Materials Incidents, 2E focuses on the safest and most efficient method for handling hazardous materials incidents. Readers are provided real-life experiences through case studies that integrate theoretical strategies with authentic HazMat situations, reinforcing the lessons covered. All-inclusive coverage features a special chapter on the interactions between law enforcement, firefighters and EMS personnel to effectively respond to hazardous materials events.
