Milling by Sean Michael

Book two in the Beer and Clay series

Toby and Damon's whirlwind romance continues, but can they find a balance between love and work? Do they even want to?

Toby can scarcely believe that his life has changed so much in less than two weeks, but it has. His predictable little life has gone from routine to sexually adventurous in a matter of days. And to be honest, he wouldn't have it any other way.

Damon's just as into Toby, more interested in exploring with his new lover than spending all his time at the bar. Luckily things are running fairly smoothly there with his hand only occasionally needed on the rudder.

Their idyllic love affair has a few bumps to withstand, though, in the form of an intruder with a gun. Can Toby and Damon survive what happens next?

Industry Reviews for Milling

"I cannot wait to return to their world and see just what more will happen to Damon and Toby."

“Lots of steaming kinky sex to drool over but there is a plot involved. I won’t give anything away but I CAN’T wait for book 3.”

Beer and Clay series

They say opposites attract and Corner Pub owner Damon and shy artist Toby attest to that.

Toby’s happy with his predictable life, even if he does secretly wear a plug to the Corner Pub every Thursday night. But when Damon shows him the word of the sub/Dom lifestyle, his Thursday night plug-wearing suddenly seems tame.

Join these two men as they explore plugs, piercings and making more than art and ale in this new series by Sean Michael.

About Sean Michael

Often referred to as "Space Cowboy" and "Gangsta of Love" while still striving for the moniker of "Maurice," Sean Michael spends his days surfing, smutting, organising his immense gourd collection and fantasizing about one day retiring on a small secluded island peopled entirely by horseshoe crabs. While collecting vast amounts of vintage gay pulp novels and mood rings, Sean whiles away the hours between dropping the f-bomb and pursuing the kama sutra by channelling the long lost spirit of John Wayne and singing along with the soundtrack to "Chicago".

A long-time writer of complicated haiku, currently Sean is attempting to learn the advanced arts of plate spinning and soap carving sex toys.

Barring any of that? He'll stick with writing his stories, thanks, and rubbing pretty bodies together to see if they spark.
