## Mrs. Stanton's Bible Kathi Kern

*Mrs. Stanton's Bible* traces the impact of Elizabeth Cady Stanton's religious dissent on the suffrage movement at the turn of the century and presents the first book-length reading of her radical text, the *Woman's Bible*. Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women's right to vote. Yet she spent the last two decades of her life working for another cause: women's liberation from religious oppression. Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church's stifling authority over women's lives. In 1895, she collaboratively authored this biblical exegesis, just as the women's movement was becoming more conservative.

Stanton found herself arguing not only against male clergy members but also against devout female suffragists. Kathi Kern demonstrates that the *Woman's Bible* itself played a fundamental role in the movement's new conservatism because it sparked Stanton's censure and the elimination of her fellow radicals from the National American Woman Suffrage Association. *Mrs. Stanton's Bible* dramatically portrays this crucial chapter of women's history and facilitates the understanding of one of the movement's most controversial texts.

### From reader reviews:

#### **Mary Young:**

As people who live in often the modest era should be change about what going on or facts even knowledge to make all of them keep up with the era which is always change and advance. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which you should start with. This Mrs. Stanton's Bible is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

#### **Daryl Glover:**

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Mrs. Stanton's Bible.

#### **Helen Chandler:**

Spent a free the perfect time to be fun activity to do! A lot of people spent their free time with their family, or their friends. Usually they doing activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your own free time/ holiday? Can be reading a book can be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the guide untitled Mrs. Stanton's Bible can be fine book to read. May be it could be best activity to you.

#### **William Littlejohn:**

Are you kind of occupied person, only have 10 or perhaps 15 minute in your moment to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because this all time you only find guide that need more time to be learn.
