"Many people tend to think that fantasies are far-fetched and out of reach, that they are just for *those girls*--- you know, the girls you've spent your whole life convincing others you're nothing like. Well, it's time to change our way of thinking and become more open to being just like those girls in our relationships. It's time to turn your fantasies, and your partner's fantasies, into reality, and not just on birthdays and holidays or when your man finally paints the garage. They should never be just for special occasions, but an active part of your everyday life. From this point forward, you should take a bold step, make a liberating decision. It's time to make fantasies and role-playing a regular part of your sexual agenda!"--Karrine Steffans

Some of the chapters included in this combination of fantasy and advice are:

- Defilement
- Domination
- The One-Man Gangbang
- Paid Escort
- Self-Pleasure
- If I Have To Show You What To Do, Why Are You Here?
- Swingers.
