The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition)

George R. Berry

The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition) George R. Berry

2016 Reprint of the 1897 edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. First published in 1897, this interlinear Greek New Testament has become a standard reference tool for locating Greek words behind specific passages in the King James Version and for easier reading of the Greek New Testament. Unlike most interlinears, which are based on the "critical" Greek text, this edition is based on Stephens' 1550 Greek text-the text from which the King James Version was translated. Two useful features of this interlinear are a Greek-English lexicon and a short section of Greek synonyms.

From reader reviews:

Ernestine Miller:

What do you think about book? It is just for students as they are still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has various personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition). All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

Teresa Vanhook:

What do you about book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question because just their can do which. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need that The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition) to read.

Sharon Hafer:

The reason? Because this The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Amanda Garcia:

Would you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you never know the inside because don't determine book by its handle may doesn't work at this point is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer can be The Interlinear KJV: Parallel New Testament in Greek and English Based On the Majority Text with Lexicon and Synonyms (Greek Edition) why because the great

cover that make you consider with regards to the content will not disappoint anyone. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading 6th sense will directly make suggestions to pick up this book.
