## The Sacrament of Eucharist (Lex Orandi) John D. Laurance SJ

In *The Sacrament of the Eucharist*, the latest volume in the *Lex Orandi* Series, John D. Laurance considers the Eucharist by way of two questions:

- How, by his first-century life, death, and resurrection, does Jesus Christ save all human beings throughout history from eternal death and make possible their permanent union with God?
- How is that salvation made available now through the community of the church in her liturgical celebrations?

Soteriology and ecclesiology therefore play a prominent role in Laurance's investigation.

After forging a theology of the liturgy primarily out of the work of Rahner, Kilmartin, and Chauvet, the author investigates the nature of the *lex ordandi*, *lex credendi* relationship and offers guidelines on how best to read the church's faith in her life of prayer. He then uses both steps to discover the faith meaning of a particular Eucharist as typically celebrated in a modern American parish on Sunday morning.
