E.R. Eddison

Zimiamvia: A Trilogy E.R. Eddison

DIMENSION TO DIMENSION... WORLD TO WORLD ~ A lady strays from a garden path and enters a different realm. A castle harbors a secret cabinet and a golden key. A king wages dynastic war for control of three kingdoms. Thus, a saga that rivals the wondrous worlds of Middle Earth, Dune, and the hitchhiker's galaxy, sweeps us into a fabulous cosmos of pure imagination. Here, villains plotting to take control of an alternate world and a mysterious, magical woman seeking her destiny are catalysts. They ignite a splendid pageantry of battles and quests, poisonous love and triumphant passion, doomed loyalties and unsurpassed courage in this "lost" classic by one of the fathers of modern fantasy. ~ THE ZIMIAMVIAN TRILOGY ~ Each of the books in this unique trilogy is an epic complete in itself. Read together, they form one of the greatest imagined worlds in fantasy literature. This new Dell edition contains recently discovered fragments of The Mezentian Gate, printed here for the first time, along with illuminating notes by E. R. Eddison scholar Paul Edmund Thomas, making this the most complete edition of Zimiamvia ever published.
