Do Not Live Afraid: Faith in a Fearful World John Indermark

In scripture, the opposite of faith is often fear. With remarkable frequency, the first thing God says to those poised at the edge of momentous decisions or holy encounters is: Do not be afraid. What's intended isn't simply an attitude adjustment but empowerment. So ""do not be afraid"" finds its expression when we do not live afraid. This book invites readers, and groups who gather around it, to take that word to heart and, most importantly, to action. After each chapter, Indermark includes spiritual exercises that invite readers to move deeper into the words on the page. The Session Guides in the back of the book enrich the content for small group study.
