## **Incident Management for the Street-Smart Fire Officer, 2nd Edition** John F. (Skip) Coleman

A new and improved version of the original best seller, Incident Management for the Street-Smart Fire Officer, is for everyone who wants to learn new ways to enhance the flow of their fire department's management system. Whether you are a firefighter looking to become an officer, or an officer whose future probably includes the word "Chief", you will benefit from this book. The second edition of Incident Management for the Street-Smart Fire Officer provides an overview of the Incident Command System (ICS) with an expanded look at the initial firefighting tactical and strategic considerations. It covers operations at house and routine fires and looks in-depth at the relationship between the Incident Commander and Group/Division officers at routine fires.
