*Ralph Waldo Trine*

**On the Open Road: Being Some Thoughts and a Little Creed of Wholesome Living** Ralph Waldo Trine  
Mr. Trine's many readers, who delight in the "Life Books," will welcome this little creed of wholesome living; a book of lay sermons done in decorative type.

-*Publisher's Weekly* [1908]

Ralph Waldo Trine has added another small volume to the wholesome and inspiring series entitled "The Life Books." This new "Life Book" is called "On the Open Road," and it begins with the articles of a sweet, wholesome and liberal creed of living that, as its subtitle states, is "to be observed today, to be changed tomorrow, or banished, according to tomorrow's light" The different articles of this creed serve in the place of chapter headings, as each one of the short chapters is in the nature of a dissertation upon the principal thought that begins it. To people who are jogging along very comfortably and congratulating themselves that they are neither better nor worse than the average, this book might be a good deal of an eye-opener. To others who are doing their level best to control their own natures and to come into the right relation with humanity at large, it will unquestionably be both an inspiration and a reminder. In any case, a few hours spent in a careful study of what it contains need not be reckoned as lost time.

-*The Craftsman*, Volume 16 [1909]
