Vanish,yuuup vanish which i hope does not happen once me book is published due to the sections of questions around President Lincoln,President Kennedy with all the serious coincidences the two Presidents have for example: The hair color of their two wives being the same that their two wives were the same age being twenty four years old when they married their husbands the Presidents of the United States of America!! Not only the serious coincidences between the two great Presidents but also all the serious coincidences between the two Presidents assassins Booth and Oswald it is really amazing on all how serious these coincidences with these four people in the American History do have!! Along with other highly wanted answers to other questions i threw out there to our Governments which i don't think i'll be so popular after doing so but shit man,they gotta take their heads outta all the shit they have buried themselves in over the centuries and try telling the truth for a change i think our world would be a much safer and happier place for future generations to come if this was the case and oh,by the way,if anyone i mean anyone comes at me to vanish me into thin air,for warning,i am a British bitch who will not seriously not go quietly and oh trust me,i maybe vertically challenged but hell man,i pack one hell of a gut wrenching scream just warning ya!! So,you'll have to purchase me book if you wanna read all the rest of me humor along with all the other questions one last wee little hint,did ya cheat to the Russians cause ya couldn't handle loosing to them!!
