Servants and Fools: A Biblical Theology of Leadership Arthur Boers

Leadership is a much-discussed topic. What does it actually mean for us as Christians? Does Christian leadership have its own distinctive shape and character? In *Servants and Fools, A Biblical Theology of Leadership*, Arthur Boers examines Jesus's pattern of leadership. Boers shows how this pattern is rooted in service and sacrifice, is cautious about power and hierarchies, and prioritizes the vulnerable. In other words, it often reverses what we expect of leadership, and is different from what we read in most leadership literature. *Servants and Fools* is a unique resource for students and practitioners across denominations. It offers a foundational perspective on leadership and guidance for practical application in the reader's daily life and ministry.
