The End of Madness Jerry Gregory

" The human psyche, normally a fortress of strength, is most vulnerable when love dies. The three novellas in The End of Madness provide glimpses into the minds of people for whom love stopped existing.

The End of Madness, the signature story, follows a famous author who blurs the line between loving, obsessing and dying.

In The Visitor, a young widow embarks on an extraordinary journey to find peace after the death of her husband.

And in The Locket, a keepsake accompanies a minister on a strange crusade after his beloved wife is tragically killed.
