## **The Miller's Tale** Geoffrey Chaucer

When an eclectic group of pilgrims take turns telling tales while on the road to Canterbury Cathedral, the Miller is determined to tell the best story and win the free dinner. He regales his fellow pilgrims with the best tale he knows—a rude and raunchy tale that would be considered scandalous even by today’s standards.

This special edition of “The Miller’s Tale,” one of the most memorable tales from Chaucer’s *The Canterbury Tales*, includes “The General Prologue,” “The Miller’s Prologue,” and “The Miller’s Tale,” in original Middle English and modern translated versions.

HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.
