## **Wolf Moon** Ethan Stone

When college student Jack Coleman meets Derek Malone at a party, it's mutual lust at first sight. Lies and secrets almost derail the relationship, but they face the problems head on, and it isn't long before Jack and Derek decide to take their relationship to the next level. That's when things get complicated.

It turns out Derek and several other people Jack thought he knew are werewolves... and so is Jack. In fact, his unusual birthmark brands him as a Chosen One, a werewolf of great power destined to be alpha. But Jack isn't sure he's cut out to be a leader. When a pack rival, Elias Fairchild, kidnaps Derek to force Jack's hand, Jack has to make up his mind: Will he deny his newfound heritage or risk it all to save Derek's life?
