Relationships.

Love.

Life.

All things that can be considered—and oftentimes are—just a bit crazy.

With an alcoholic father and an absentee mother, seventeen-year old Eppie Aberdeen has learned firsthand that life's circumstances aren't always sunshine and roses.

So Eppie doesn't expect the fairytale, because reality certainly isn't one. She's not waiting on the handsome prince with his white horse to come to her rescue. But even though she's not waiting on it, that doesn't stop nineteen-year-old Lincoln Ross from driving straight into her heart with his teal and white campervan and his too tall stature and perpetually goofy grin.

It's difficult to believe in a happily ever after when a happy now is quite hard to find. But Lincoln gives Eppie hope that despite the odds, a true and unconditional love might actually be out there. A revised fairytale. A new kind of love story.

But then again, that might just be plain crazy.
