## **Organizational Transformation Through Business Process Reengineering: Applying Lessons Learned**

Vikram Sethi, William King

For advanced courses in Management Information Systems.

*Organizational Transformation Through Business Process Reengineering* **deals with both successes and failures of business process reengineering**, maintaining that no one management approach is a cure-all for organizational change. This book contains 36 readings and 8 cases, and builds on the evidence gained in actual firms with various business processes, using many different *business process reengineering* approaches. The information and knowledge currently available is much richer, more comprehensive, and detailed than has been previously available.
