**With the weakening dollar a hot topic for retirees, savers, and investors, this *Little Book* delves into the economic turmoil in the U.S. and shows how to survive it**

The United States dollar is losing value at an alarming rate. According to the Organisation for Economic Co-operation and Development (OECD) index, the U.S. currency is 37 percent below fair value against the Australian dollar and 20 percent versus the Canadian dollar. The decline of the U.S. dollar is one of the biggest threats facing American investors today, but with the *Little Book of the Shrinking Dollar: What You Can do to Protect Your Money Now* in hand, you have the knowledge and the expertise you need to fight back.

Written by *New York Times* bestselling author Addison Wiggin, a leading economic forecaster, the book explores the reasons for the dollar's decline, and its precarious relationship to other currencies around the world. Filled with invaluable strategies for retirees, savers, and investors who want to keep their money safe no matter what lies ahead, the book is your one-stop guide to weathering the storm.

- Covers strategies for safeguarding your wealth, including safer havens for money, alternative investments, and other opportunities
- Written by Addison Wiggin, a three-time *New York Times* bestselling author and leading economic forecaster
- Wiggin's predictions about the decline of the dollar have proven true time and again, making him the right man for the job when it comes to predicting what lies ahead

The U.S. dollar is no longer the secure and stable currency that most Americans grew up believing in. Even after recent gains, the dollar remains weak. But with the *Little Book of the Shrinking Dollar* you have a concise guide to what's driving its demise and everything you need to protect your money today and in the years to come.
