The internet provides an easy, cost-effective, and instantaneous presentation medium and businesses have spent billions of dollars to take advantage of this communication vehicle. Although companies have adopted virtual presentations for use in nearly all key business functions, they often do not use this medium to its full potential. This book outlines the wide breadth of opportunities and capabilities of presenting online and shows how to use them to best fill your business need. It reveals why to present online, how to choose your platform, and how to engage your audience.
