A History of Everyday Life in Medieval Scotland (A History of Everyday Life in Scotland EUP)

A History of Everyday Life in Medieval Scotland (A History of Everyday Life in Scotland EUP)

This book examines the ordinary, routine, daily behaviour, experiences and beliefs of people in Scotland from the earliest times to 1600. Its purpose is to discover the character of everyday life in Scotland over time and to do so, where possible, within a comparative context. Its focus is on the mundane, but at the same time it takes heed of the people's experience of wars, famine, environmental disaster and other major causes of disturbance, and assesses the effects of longer-term processes of change in religion, politics, and economic and social affairs. In showing how the extraordinary impinged on the everyday, the book draws on every possible kind of evidence including a diverse range of documentary sources, artefactual, environmental and archaeological material, and the published work of many disciplines. The authors explore the lives of all the people of Scotland and provide unique insights into how the experience of daily life varied across time according to rank, class, gender, age, religion
